ICEPOD

cryochamber with extreme cooling at -110°C without a liquid nitrogen tank: the air in the room will always be clean, without gas impurities

Compact, beautiful, and stylish, this model will enhance your interior and help reduce inflammation, alleviate pain, and improve overall body condition

Smart Wellness

After the procedure, you'll feel a surge of energy and an uplift in mood

PelviPower

is an innovative development by Swiss doctors and engineers for training the deep muscles of the pelvic floor

This innovation provides incredible physiological relief to the pelvic floor muscles - up to 25,000 contractions per session, without causing pain, physical strain or discomfort

- preparation for pregnancy and recovery after childbirth
- sports rehabilitation
- strengthening the pelvic floor muscles
- prevention and treatment of erectile dysfunction in men

Smart Wellness

3/6

NOW YOU CAN RECEIVE THE HIGHEST LEVEL OF
TREATMENTS AT HOME, JUST LIKE IN PREMIUM CLINICS

The effectiveness is confirmed by the choice of global stars who have integrated these devices into their private residences: Paris Hilton, David Beckham, Jennifer Lopez, Elton John, Madonna, Robert De Niro, Katy Perry, Kevin Costner
